

Randy S. Twito, MD

Orthopaedic Surgeon

"Having practiced in this community for 17 years, I have seen many changes in medicine. I believe HealthPartners commitment to excellence in patient care and experience has made it the industry leader. The new orthopaedic clinic, surgery center, and team of specialists I hope will impress you as it did me. Please consider our orthopaedic team including primary care, physical therapy, and surgeons for your orthopaedic needs."
